CERTIFICATE of CALIBRATION

Nr. 30044320/2020

Devices:

- 3-Axis Analog Magnetic Field Transducer
Type: F3A-03HM05D-S02T2K5J
Serial Nr. TRFA-30044320
- 3-Axis Hall Probe
Type: F3A-03HM05D
Serial Nr. HPFA-30044320

Date of Calibration: October 12th, 2020

Temperature: (23.0 ± 0.5) °C

Relative Humidity: (45 ± 10) %

This notification serves to certify that the unit described above has been inspected and tested in accordance with specifications published by SENIS AG.

The accuracy and calibration of this instrument are traceable through equipment which is calibrated at planned intervals by comparison to certified standards maintained in the laboratories of SENIS AG.

The environment in which this instrument was calibrated is maintained within the operating specifications of the instruments and the standards.

Customer Use Only: *The recommended calibration interval is 12 months.*

Head of Calibration Laboratory:

ZARKO MITROVIC, *Dipl. Eng. El.*
